GAULT AND GEORGE SATISFIED WITH TRIP

Only One Man Interviewed Is Opposed to Plan for Memorial.

Only one man of those interviewed by William George and MacPherson Gault on their trip to Helena last week was found opposed to the erection of a State Library and Memorial hall building on the campus of the State University. George and Gault returned Sunday from a two-day trip very much satisfied with the results.

While in Helena they interviewed four men who are or have been governors of the state; justices of the state supreme court; members of both houses of the legislature; newspaper men; pioneers; lawyers, and prominent citizens of Helena and Lewis and Clark county.

The reasons expressed in favor of the erection of the library at the University are that the state at present cannot supply an adequate place for the housing of its historical records; the room in the Capitol library is needed by the state for other purposes; that the library would be of immense value in the research work of the University.

Lieutenant Governor Nelson Story, Jr., of Bozeman, heartily approved the plan, saying that if it went through, he would donate some valuable collections of his own to the library.

"This does not mean that we should relax," said William George, when relating the results of the trip. "While there is no organized opposition, it is possible that some may develop, and therefore everyone must keep on his toes."

The bill will soon be introduced in the legislature by Howard Johnson, '16, a graduate of the University law school, and a representative from Silver Bow county.

UNIVERSITY IS REQUESTED TO SEND REPRESENTATIVE

University of Virginia Invites a Delegate to Attend Anniversary.

The University has been requested to send a delegate to the one hundredth anniversary of the founding of the University of Virginia to be held May 31 to June 3.

The invitation was received by the editor of the Kaimin. Attached to it was a small card containing instructions asking that a reply giving the name, titles, and postoffice address of the delegate and the official date of the founding of the institution represented be sent to the chairman of the centennial committee, University of Virginia.

The University of Virginia was the first state university to be founded in the United States.

Roberts Makes Appeal.

"Wednesday will be the last day for sophomores to have pictures taken for the Sentinel," according to Charles Roberts, Sentinel manager. The freshmen are to start going down to the studio the same day.

Roberts added that freshmen would be given only one week for this purpose. Because the freshman class is so large, no notices are to be sent out, so the members can choose their own day.

STUDENT CO-OPERATION ASKED BY BEAR PAWS

The Bear Paws, sophomore society, discussed problems concerning the welfare of the organization at a meeting in Marcus Cook hall Monday.

Discussions of and constructive criticism on the performance of certain duties, officially turned over to the Bear Paws by the Student Council, was given by the members. The organization decided to ask more hearty co-operation from the student body in taking care of its duties on the campus. Students having cars at their disposal will be asked to aid the Bear Paws in taking care of members of visiting athletic teams.

TOM STOUT TO DELIVER CHARTER DAY ADDRESS

Former Congressman Will Deliver Principal Celebration Speech February 18.

Charter day, the oldest of the State University's traditions, will be observed Friday, February 18, with ex-Congressman Tom Stout, editor of the Lewistown Democrat-News, the principal speaker of the occasion.

It has been customary to hold Charter day exercises on the Friday nearest February 17, the anniversary of the granting of the charter for the establishment of the University. Ex-Congressman Stout will deliver his lecture at 10 o'clock, at which hour classes will be suspended for the remainder of the morning.

The proposed greater campus of the future State University will be laid out Charter day, and stakes bearing the names of buildings to be erected in future years will mark the corners of the proposed edifices. The enlarged campus will extend north, south and west from the present site.

Ex-Congressman Stout is a graduate of the University of Missouri. He is one of the leading newspaper men of Montana, having first entered the field here in 1904, when he assisted in starting the Fergus County Democrat, a weekly newspaper. A year later he purchased his partner's interests in the paper and ever since has been in charge of the establishment. He was elected to the state senate in 1910, and to the lower house of the national congress in 1913 and again in 1915.

Dr. Morton J. Elrod is chairman of the committee on arrangements. No definite plans have been made for the afternoon program. It is probable, however, that it will be given over to athletics.

RISE IN RAILROAD RATES AFFECTS GLEE CLUB TRIP

Plans for the Glee club trip have been seriously affected by the recent rise in railway fares, according to William Jameson, manager of the Glee club.

It is doubtful that the trip will be made in a private car this year as was done last, due to the increased rates. "Though expenses will have to be cut down, I think we will be able to make the trip previously planned," said Jameson. "We estimate an increase of \$250 on railroad fares."

Will you be down at the Northern Pacific station at 11:55 tomorrow morning?

BRUIN SQUAD OFF FOR SIX CONTESTS

Bierman's Men Play W. S. C., Idaho, Whitman and Gonzaga.

Montana's Bruin basketball team leaves at 11:55 Wednesday morning to play six contests on foreign floors, five being with Northwestern conference teams. Before returning the team will engage Idaho and Whitman for two games each and one contest will be played with Washington, State and Gonzaga.

Thursday night the Bruins play W. S. C. at Pullman and Friday and Saturday, Idaho at Moscow. Monday and Tuesday Whitman will be met in a pair of return games at Walla Walla. A week from tomorrow the Bruins play the final game of the trip, Gonzaga at Spokane, being the opposing five.

Washington State lost to Whitman Saturday night by the close score of 23 to 21. The two previous nights Idaho vanquished the Missionaries by the scores of 23 to 17 and 30 to 12. Montana defeated Whitman here the first of last week in a pair of games by the count of 33 to 20 and 30 to 18. Early in the season W. S. C. and Idaho split even in a pair of games. Comparative scores indicate Montana and Idaho to be the strong teams of the quartet, with W. S. C. a good third. The Bruins are in good shape and will leave for Pullman in plenty of time to get rested up before the Thursday night contest with the Cougars.

As The Kaimin went to press, Coach B. W. Bierman had made no statement regarding the number of men he would carry on the trip or who they would be. It is probable that eight men will be carried and that they will be Captain Sullivan, Larkin, Ahern, Adams, Baird, Levin, Elliott and Higbee.

Painting Presented To School of Music

An oil painting of Franz Liszt, eminent composer and musician, by M. Carriere, has been presented to the University school of music by Sam H. Treloar of Butte. The picture has been in the possession of the Treloar family since 1905.

Liszt was born at Raiding, Hungary, October 28, 1811. He received his early instruction in pianoforte from his father. His first public appearance was at the age of nine. After this he went to Vienna to continue his studies under Czerny and other great masters.

For 12 years prior to 1861 he was conductor of the Court theater at Weimar, Germany. Among his acquaintances were Beethoven and Wagner. He died July 31, 1886, at Bayreuth.

NATIVE MONTANANS.

Wednesday afternoon at 4 o'clock a meeting of the native sons and daughters of Montana will be held in Assembly hall. The meeting has been called to help boost the erection of the memorial and library hall. The 437 students who are registered as native Montanans should attend. Frank D. (Sand Bar) Brown will speak.

BLICE TOOLE,

ESSAY CONTEST OFFERS WINNER TRIP TO ITALY

Information Received by the Kaimin From the Italy-American Society.

The Italy-American Society offers a trip to Italy during the summer vacation of 1921 as a prize for the best essay submitted by an undergraduate student of an American college or university on the subject, "Italy's Contribution to Modern Culture."

This information is contained in a circular letter sent all colleges and universities in this country. The essay is not to be less than 3,000 nor more than 10,000 words and is due by noon of April 15.

In the letter Irwin Smith, manager of the Italy-American Society, asked the editor of the Kaimin to give the contest as much publicity as possible. The letter, as well as circulars, are now at the Kaimin office, and any student who is interested in the contest may see it.

NON-SORORITY WOMEN LEAD IN SCHOLARSHIP

Alpha Delta Alpha Fraternity Leads Men. Alpha Phi Heads List of Sororities.

With an average of 22.50 grade points, the non-sorority women lead the women of the University in scholarship for the autumn quarter, and Alpha Delta Alpha fraternity leads the men with an average of 15.92. Among the sororities Alpha Phi leads with 19.20. These figures are statistics compiled by Dr. R. H. Jesse, dean of men.

Following are the averages in grade points made by members of various groups during the autumn quarter, according to chart posted in Main hall.

Non-sorority women, 22.50; Alpha Phi, 21.94; sorority members, 19.78; University women, 19.20; Delta Gamma, 18.72; sorority women, 18.12; Kappa Alpha Theta, 17.76; Delta Sigma Chi, 17.57; sorority pledges, 16.24; University average, 15.83; Kappa Kappa Gamma, 15.15; Alpha Delta Alpha, 15.02; all students, 15.83; non-fraternity men, 14.09; fraternity members, 13.39; University men, 12.90; Iota Nu, 12.20; Sigma Phi Epsilon, 12.04; fraternity men, 11.64; Sigma Chi, 11.55; Sigma Nu, 11.28; fraternity pledges, 9.30; Delta Rho, 8.09.

"The average of the University men is lower than it has been since the spring quarter of 1918," said Dr. Jesse Monday afternoon.

"The women have surpassed this record but three times since 1916, when records were first kept."

FACULTY MEN WRITE BOOK.

Copies of The Story of Columbus by Dr. N. J. Lennes, author of a series of books for young people, and Paul C. Phillips, professor of history, have been received from the publishers, the J. B. Lippincott company.

"It is intended as supplementary reading for pupils in the grades. An attempt was made to present the most reliable facts, but it was not done as a piece of research work," said Dr. Phillips, Monday afternoon. The book contains 168 pages with 64 illustrations and maps.

AGGIES TAKE FIRST BRUINS GET SECOND

Montana State Wins 19-18 University Comes Back With 20-5 Victory.

The Grizzly basketball team lost to the Bobcats Friday, 18 to 19, and won the second game Saturday night, 20 to 5. Coach B. W. Bierman, Manager Lambert DeMers and seven players made the trip.

Coach Bierman said that the University had no alibi for the first Grizzly defeat. He merely stated that it was a good game and that they were outplayed. The Bobcats won by a one point margin.

According to the Bozeman Chronicle the first game was the best ever staged in Bozeman. The Bruins led off in the scoring and kept in the lead all during the first half, the period ending with the University 12 to 9 in the lead.

The second half was much the same until near the end, when Whitney made two baskets and the game ended 19 to 18. The lineup:

University (18)	Mont. State (19)
Larkin	McCarren
	Left Forward.
Ahern	Robertson
	Right Forward.
Adams	Whitney
	Center.
Sullivan	Hollister
	Right Guard.
Baird	Richards
	Left Guard.

Substitutes: Garvin for Robertson; Robertson for McCarren; Finch for Hollister; Elliott for Sullivan; Levine for Adams.

Field goals: McCarren, 5; Whitney, 3; Ahern, 3; Larkin, 1; Adams, 1; Baird, 1; Hollister, 1.

Free throws: Larkin, 6; McCarren, 1.

The second game was much slower, at least as far as the Aggies were concerned. The Grizzlies ran up eight points before their opponents scored. The first half ended 9 to 2, for the University.

This game was much rougher than the first. The final count was 20 to 5.

Return games with the Aggies will be played in Missoula February 23 and 26.

The men who made the trip were: Captain Sullivan, Adams, Larkin, Baird, Ahern, Levin and Elliott.

The lineup:
University (20) Mont. State (5)
Larkin McCarren

Ahern	Garvin
	Right Forward.
Adams	Whitney
	Center.
Sullivan	Hollister
	Right Guard.
Baird	Richards
	Left Guard.

Substitutions: Levin for Adams, Elliott for Baird, Baird for Elliott, Robertson for Hollister.

Field goals: Adams, 4; Levine, 3; McCarren, 2.

Free throws—Larkin, 6 out of 7; Whitney, 1 out of 4.

Both games were refereed by Ray Matter of Three Forks.

Thompson Speaks Tonight.

Lloyd Thompson will speak on Factions in the American Labor Movement, at a meeting of the Social Science club Tuesday, at 8 o'clock in the auditorium of Natural Science hall.

The Kaimin's Duty.

The Kaimin realizes that only about one-third of the student body can be accommodated in Assembly hall. We know of nothing better to keep the student body moulded together than student assemblies. As student assemblies with a high percentage of the student body present are impossible, The Kaimin feels it a duty to talk matters of general interest over with its readers, serving as best it can the medium of exchange of thought, that of right goes to student assemblies.

Varsity Vodvil and You.

Varsity Vodvil, to be staged the latter part of this month, offers every organization on the campus an excellent opportunity to show its true worth to the University.

The annual show is given to reimburse the A. S. U. M. treasury. Few times at this season of the year have A. S. U. M. finances been lower than at present. The lack of funds, so far as we know, is due to lack of management last year rather than this. But we face the deficit in reality and it is up to each organization and the individual members thereof to help alleviate the situation. Varsity Vodvil brings in more money than any other one thing during the year. By preparing a creditable act any organization or individual is doing his part toward assisting the A. S. U. M. in this time of crisis.

As is customary seven or eight acts will be selected at the preliminaries to be staged in the final production. To successfully survive the elimination trials should be an incentive to any organization. If it isn't, there is something wrong with the organization.

Have your act ready for the tryouts at the Liberty theater February 10. The judges, both in the preliminaries and in the finals, will be as impartial as can be obtained. Notify Keith Brown, manager of Varsity Vodvil, of the act you are intending to work up. You can conscientiously do no less.

Bruins Tour West.

We cannot but take the result of the two Aggie games as an indication of a Montana championship team from the State University.

The scores of Whitman's contests with Idaho and Washington State, carried in our news columns today, when compared with the scores of the Montana-Whitman games a week ago, seem to indicate that Montana compares favorably with other teams of the Northwest conference.

The Kaimin would like to see the student body support the team, yet ventures to say that the Bruins will continue to win without that support, necessary as it is. We base this assumption on past records of Bruin teams, taken collectively.

Unless undue pressure is brought to

bear most teams see but few familiar faces on the platform as the players swing onto the train and depart for games on foreign fields or floors.

The Kaimin does not propose to ask any person who is not interested in the records of our athletic teams to go to the station to see teams off. Montana teams are entitled to wholehearted support. If you haven't it you are hopeless. If you have, see the Bruin basketball team off for five conference contests. The team leaves Wednesday morning, as announced in our news columns.

Even as our astronomers are wondering where is the end of space, so are some of the freshmen wondering when will the forestry students, finish surveying the campus.

Silence is the rule at the library. So if you have something to say to anyone, be sure it is to the librarian. Otherwise you had better say it with flowers.

Probably the big paper can hear the door of the campus store was put there for a purpose. Think it over.

Communication

There seems to have been some misunderstanding regarding the issuing of invitations to the matinees produced by English 41, under the auspices of the University Masquers. When the series of matinees was planned it was doubtful as to just what degree of success they would attain. Since many of the actors were unexperienced and were trying for parts in a public production, since many of the plays were ambitious drama, and since students of the University had never directed or produced plays before, it was felt that the first performance should be open only to those who had shown obvious signs of interest in drama.

It appears that many in the University interested in drama failed to receive invitations to the first production.

The policy of the Masquers' club has always been to furnish drama to those who desire it. Accordingly, if the students who desire to attend the future matinee productions of the club, will leave applications for tickets at the telephone booth by Thursday at 6, the Masquers will be very glad to leave invitations for them which may be received by calling at the telephone booth any time Friday.

J. A. FARMER,

President of Masquers' Club.

FORESTERS TO HEAR STONE LECTURE ON ADVERTISING

Dean A. L. Stone of the school of journalism will give a lecture on Publicity and Advertising of Forestry to the Ranger students Wednesday, February 2.

Dean Stone gives this lecture every year to the students of the forestry school.

The forest service has offered a prize to the students of the forest school for the best placard on Fire Prevention.

BAGSHAW TO COACH ELEVEN AT WASHINGTON UNIVERSITY

Enoch W. Bagshaw has been awarded a three-year contract by the University of Washington to coach the Sundodgers' football team, according to press dispatches from Seattle. Mr. Bagshaw was coach of the Everett, Washington, high school eleven which won the unofficial preparatory school championship last year.

The new vocational counsellor has not yet been selected and it is still undetermined how soon he will arrive here, according to George I. Stevens, who is temporarily attending to the interests of vocational men at the University. Mr. Stevens went to Helena Saturday and returned Monday morning.

Hard Cider Flows To Kill the Woes of Foregone Beaux

The soups and fishes are changing hands rapidly. And, say, have you noticed the number of dates lately? Yes, part of it is due to the spring weather, but there is a deeper reason. The men have placed firm belief on the latest rule of the W. S. G. A. that any man who asks a girl for three dates before February 11 will get a date to the co-ed formal.

Say, it's a keen dance. Your girl sends you flowers, calls for you in a taxi, and foots all the bills. Every co-ed who has had a date this year is there all dolled up in the evening dress mother sent her to school with, with about two-thirds cut off the top and bottom. And, boy, you can put on the finishing touches to your hair and face while your girl worries about the programs. It's a keen feeling.

According to Guy Mooney, the unfortunate who don't get a bid will drown their grief in hard cider. Mr. Mooney has been a feature of the sour grapes banquet for four years. "I dare not divulge what else will be served for fear the men will desert Tom Colton's punch for ours," Mr. Mooney stated.

On the Campus

Dr. and Mrs. George Longeway of Great Falls visited their daughter, Margaret, at 408 Connell avenue Saturday and Sunday. Dr. Longeway, who is on the state board of health, is just returning from Galen where he has been doing some work for the state.

Mr. and Mrs. W. M. Johnston of Billings visited their daughter, Margaret, at 328 McLeod avenue Saturday and Sunday.

Lloyd M. Johnson, '17, was a guest at the Iota Nu house Sunday. Mr. Johnson has been practicing law in Ronan but recently moved his office to Manhattan.

The University of Southern California announces that plans are being made for the construction of a \$100,000 stadium to replace Bovard field.

Delta Sigma Chi sorority entertained with an open house Sunday from 3 to 5 o'clock in honor of Alpha Delta Alpha fraternity.

Mary Showell and Ruth Cavin, majors in the physical education department, refereed girls' basketball games in Victor and Hamilton over the week end.

NOTICES

Home Economics Club.

The Home Economics club will meet Wednesday, February 2, at 7:15, in the department rooms. Elizabeth Wickes will speak on Why Study Chemistry? All members are urged to attend.

Junior Class Meets.

Important meeting of Junior class Wednesday, at 4:10 to arrange for Junior Prom and elect vice president. Be there.

University Y. W. C. A. Meets.

A business meeting of the University Y. W. C. A. will be held Tuesday, at 5 o'clock. The report of the committee on nominations for 1920-21 will be read, and all members of the organization are urged to be present, according to Gertrude Clark, president. "Chairman of standing committees must bring written reports to the meeting," said Miss Clark, Monday.

EXCHANGE

SCHOOL OF MINES.

The bulletin on The Oil and Gas Fields of Montana, which has occupied the spare time of the department of geology at the State School of Mines, since last summer, is now in the hands of the printers and will be ready for distribution soon, according to Professor Gerald Lambert, of the school's faculty. The information in the bulletin includes a general survey of the state for oil and gas, which supplements and completes work done some years ago by the United States geological survey. The bulletin will contain many maps also. It was written and compiled by President C. H. Clapp and Professor Gerald S. Lambert, of the School of Mines, and Assistant Professor Arthur C. Bevan, of the State University.

An M club was organized at the School of Mines last week. There are now 16 M men in school. Eight letter athletes left with the 1920 class. Wednesday night the club is holding a dance to raise money to assist in maintaining athletics at the institution.

The class of 1924 entertained the other classes of the State School of Mines at the annual Freshman frolic January 21.

The distribution of brilliantly colored head-coverings representing various birds and insects and of an abundance of confetti and streamers gave the dance the appearance of a street carnival.

Semester examinations were held at the State School of Mines last week.

By faculty action nine men have been asked to leave school because of failure to maintain a satisfactory scholastic standard.

Buying Clothes at Donohues Is Like Buying Gold Bonds

When a man buys gold bonds, at a fixed rate of interest, he figures that it is a safe and sane investment. Gold bonds are considered the safest of all investments. If one secures bonds at a rate of 8% it is a real good buy, according to the men who know. If you could make 40% interest on your investment, would you invest? That is just what your money will do when you buy your clothes at Donohue's today.

A Saving of 40%

Can be made on any suit or overcoat in our Men's Section, and if you want some good advice, now is the time to buy an "all year around weight" suit and make this saving. All of our suits are grouped into three price lots—\$21.75, \$37.75, \$49.75. The styles are right, and when you see the garments you will agree with us that they are a real interest-bearing investment at these low prices. They are going fast so be here as soon as possible.

VARSITY CUBS DEFEAT STEVENSVILLE QUINT

Aggie Freshmen Play Two Games Here.

Saturday night the Grizzly cubs, who play Montana State's freshman five here Friday and Saturday, defeated Stevensville's all-star team at the gymnasium Saturday night, the final count being 33 to 15. The freshmen lead at the end of the half by the score of 12 to 7.

Buck of Stevensville, opened the scoring with a basket after the ball had been in play but a short time. The visitors came on the floor playing a strong game, but could not keep up the pace. The freshmen failed to score the first ten minutes, but after that time had the game pretty much their own way. McAuliffe was high scorer with 14 points. His floor work, along with that of Badgley, was commendable. Egeberg played a good game at guard. May for Stevensville, showed up best.

The lineup and summary:

Freshmen (33)	Stevensville (15)
Dahlberg	Byers
Badgley	Buck

McAuliffe	May
Center.	
Tanner	Hooper
Egeberg	Anderson

Substitutions: McDonell for Tanner. Tanner for Dahlberg. Dahlberg for Tanner.

Field goals: McAuliffe, 7; Badgley, 4; Tanner, 3; May, 3; Buck, 2; Dahlberg, 1; McDonell, 1; Byers, 1.

Foul throws: May, 1 of 1; McDonell, 1 of 1; McAuliffe, 0 of 1.

ATHLETIC BOARD APPROVES 1921 FOOTBALL SCHEDULE

The Athletic Board of Control accepted the 1921 football schedule presented by Graduate Manager Harold Lansing at a meeting Monday. The board decided to give \$50 of this year's funds for buying trophies for women's athletics. Manager Lansing was authorized to buy football supplies for the coming season.

SECOND EDITION OF FRONTIER WILL APPEAR IN FEBRUARY

The second copy this year of the Frontier, the University magazine, will appear about the middle of February, according to Prof. H. G. Merriam, who heads the board of editors. "Contributions are solicited from all students," said Professor Merriam. "To be used for this issue manuscripts must be given to one of the editors by February 6."

President's Letter Reprinted.

Copies of the open letter concerning the State University, written by President E. O. Sisson and published in the Missoulian January 17, have been reprinted in pamphlet form and mailed with the grade reports sent out last week. Extra copies are available at the business office for those who wish to send the pamphlet to friends in other parts of the state.

Frosh-Soph Dance Success.

The annual Freshman-Sophomore dance was held in Union hall last Saturday night. About 100 couples attended.

The hall was decorated in gold, blue and white. Moonlight waltzes during which a colored spot-light was played on the dancers, were the feature of the dance.

Mr. and Mrs. Mallory N. Stickney and Dr. and Mrs. W. E. Schreiber acted as chaperones for the dance.

James Morris, ex-'23, member of the 1920 football squad, is visiting at the Sigma Chi house.

Craig Hall Defeats The Alpha Phi Five

Craig Hall defeated Alpha Phi 15 to 1, Monday. As may be judged by the score the game was not fast, though the losers had hard luck at basket shooting.

Many baskets were missed and there was a decided lack of team work on both sides. Solvay Andresen, Alpha Phi center, aimed several pretty shots which circled around the rim but failed to score.

Mary Shults made four baskets and Pearl Degenhart scored two field goals and a free throw for Craig Hall.

Mary Showell refereed the game.

Scandal Column

TODAY'S VICTIM.

Robert B(ad) MacHatton.

Promptly
At 8:33
The genial
News hound
Arrived for
His morning
Exercise
In editorial
Writing.
Empty
Halls greeted
Him
The birds had
Flown
(Such is the reward
Of the conscientious
Early riser)
But no!
Seated
Confidentially,
Almost
Quietly,
In the east
Window
Were
Robert MacHatton
And his
Skating partner
"Good morning."
We broke the
Spell
"And is this an
Open house?"
Silence
And the growing
Suspicion
That it
Was a
Fireside.
"We are
Waiting for the
Sunrise."
Admitted the
Damosel.
Unbelief
Stood out
Strongly
On our noble
Features.
"Oh, it's
An assignment
In editorial

A paper on
Sunrise in the
Rockies
And we
Have not
Been up
That early.
Recently"

All of which goes
To show
That
Sunstroke
Is powerless
To choose
Its own
Victims.

One of the gayest dances of the year was given by the Hobo club at the gymnasium Friday night. About sixty couples attended. Music was furnished by Pat Keeley's orchestra.

W. E. Schreiber, physical director is giving a course in First Aid to 28 ranger students. The class started Friday morning.

VARSITY VODVIL STUNTS SLOW TO MATERIALIZE

Try-Outs Will Be Held at Liberty Theater February 16. Show Late in February.

"Organizations asked to prepare a part in the Varsity Vodvil are not responding quickly enough," said Keith Brown, manager of the show, yesterday, "and plans are dragging. Try-outs will be held Wednesday afternoon, February 16, at the Liberty theater. At least 20 organizations should offer an act in order that the seven or eight chosen may be up to standard. The prize cup now on exhibition at the campus store will be awarded the night of the performance, which will be sometime late in February. Not only the sororities and fraternities, but all the other organizations I have spoken to, should start on five to 20-minute stunts at once."

FRANCAIS CERCLE TO MEET.

Francais Cercle, the University French club, will hold its first meeting Tuesday night, in University hall. The nucleus of the club will be about twenty-five advanced French students and a few more who are particularly interested in French.

There will be an election of officers and a program, which will include stereopticon views of France and French records provided by Mrs. Louise Arnoldson. Mrs. Arnoldson and Mrs. A. H. Weisberg will read one act of a French play. The play has not yet been selected.

We Apologize.

In the last issue of The Kaimin the names of Ronald McDonell and Glen A. Smith were misspelled.

A comic magazine has been started by Boston University corresponding to humorous magazines of the Massachusetts Institute of Technology and of Harvard.

Olive Dobson and Ruth Cavin will referee the Hamilton girls' basketball games, which are to be held in Hamilton February 25 and 26.

Virginia Morse, '23, who has been ill the past week at St. Patrick's hospital, returned Saturday to the Kappa Kappa Gamma house. She resumed her work at the University Monday.

MRS. MARGARET STONE INSPECTS THETA SIGS

Grand President of the Women's Journalist Fraternity Visits Campus.

Mrs. Margaret Garvin Stone, of New York city, grand president of Theta Sigma Phi, woman's national journalism fraternity, arrived in Missoula Saturday, January 29, to spend a week visiting with Kappa chapter of Theta Sigma Phi, on the State University campus.

Mrs. Stone is a graduate of the Montana school of journalism, class of 1918, and is the wife of Percy N. Stone, special writer on the New York Evening Post, also a former Montana student. Mr. Stone is the son of A. L. Stone, dean of the school of journalism. Mrs. Stone is a member of Kappa Alpha Theta.

She comes to the University from Chicago, where she has been working to organize a women's national journalistic register, incorporated to serve as an employment bureau to all members of Theta Sigma Phi, who take advantage of the opportunity to register.

"I believe that it is going to be a powerful organization and the biggest thing Theta Sigma Phi has ever attempted," said Mrs. Stone, Monday.

Mrs. Stone will go from here to the University of Washington at Seattle, and the University of Oregon at Eugene, where she will visit chapters of Theta Sigma Phi.

STEREOPTICON LECTURE GIVEN BY GLEN A. SMITH

Glen A. Smith, assistant district forester, gave a stereopticon lecture on Game and Game Haunts, to the ranger students Thursday afternoon, in the Forestry building.

"There is a place in this state for game. The forest reserves are mountainous and afford a good game preserve. One of the large problems of the forestry service is to effect a balance between domestic stock and game in the national forests. Game is not merely to be shot. The presence of game in the preserves would make it more attractive and alluring to people coming to the forests on vacations. Montana has one of the biggest chances of any state in the United States to build up a good game preserve with its present resources," said Mr. Smith.

Page the Morphine For Weary Sisters

The Delta Gammas were sleeping soundly. It was Saturday night and they were all tired out from the struggle at the Union. Towards three o'clock in the morning some of them became subconsciously aware of continued dull thuds. After these had kept up for a while becoming louder and louder, they finally became completely awake and listened.

Something terrible must be happening outside, they thought. After vainly trying to fall asleep again, they decided to stay awake and listen to the music.

Suddenly everything became quiet. "Now we can go to sleep," they whispered to each other. No sooner said than a terrible howling was heard. Terrified, they looked out of the windows, but it was too dark to see anything.

Yet, nevertheless, the Iota Nu house is right across the street.

Mrs. C. F. Murphy of Anaconda visited her sons, Raymond and Clyde, at the Sigma Chi house Friday.

Phillips Announces Essay Contest Rules

The rules governing the Bennett essay contest for 1921 were announced by Professor Paul C. Phillips yesterday.

"Contestants must leave copies of their essays with Mr. Phillips in library room 14 not later than Monday, May 16.

"The essay should not contain more than 2500 words. It must contain bibliography and references to authorities.

"The name of the author must not appear on the manuscript.

"A suggestive bibliography will be left at the loan desk in the library."

The subject of the contest is Reform of County Government in Montana. The prize this year is \$35. Any undergraduate in the University is eligible to compete.

COMMERCE FRATERNITY INITIATES FIVE MEN

Boyd, Jacobsen, Redding, Roberts and Spiller Join Alpha Kappa Psi.

Five men were initiated by Alpha Kappa Psi, national commercial fraternity, Saturday night. The new members are: Andrew Boyd, Arthur Jacobson, Arthur Redding, Charles A. Roberts and Charles Spiller.

A banquet at the Florence hotel followed the initiation. Harold Fitzgerald acted as toastmaster. The other members present were: Dean S. J. Coon, Fred Daylis, Harold Blomgren, William Jameson, Arthur Johnson, Harry Dahlberg, Dr. J. H. Underwood, Leo H. Schaefer, instructor in business administration, and President E. O. Sisson.

Omicron chapter of Alpha Kappa Psi was established in 1917.

NEW RIFLES NECESSARY FOR R. O. T. C. CONTESTS

Unless the four new .22 calibre rifles arrive in time for use in the R. O. T. C. intercollegiate marksmanship contest to be held February 1 to 12 inclusive, the outlook for high scores fired by the University unit corps is not the most encouraging, according to Major A. C. Cron, commandant.

"The men on the team have been using four practice rifles that have already seen too much service to be accurate," Major Cron said.

A special letter has been sent to the R. O. T. C. supply officer in San Francisco by Major Cron and an answer is expected any day notifying him of the shipment of the firearms. If such a letter comes Major Cron said he would postpone the day for this unit's firing until the firearms arrive.

COLEMAN WILL SPEAK AT ASSEMBLY FEB. 10

President of Loyal Legion of Loggers and Lumbermen Will Discuss the Solution of Labor Problems.

Norman F. Coleman, formerly head of the English department of Reed college will discuss the solution for present-day labor problems in his lecture, Lincoln and Labor, to be given Thursday, February 10, as a part of the Life Ideals lecture and conference series to be held February 10 in the University auditorium.

Mr. Coleman, as president of the Loyal Legion of Loggers and Lumbermen, a society to combine capital and labor in the lumber industry on a common working ground, has had a chance to study labor problems in many industries.

The afternoon conferences will be round table discussions of questions the students are interested in. One or two men will talk briefly preceding each discussion.

SISSON WILL ADDRESS FARMERS OF MONTANA

Will Also Speak to Civic Section Women's Club and Roosevelt Parent-Teachers' Association.

President E. O. Sisson has accepted an invitation to address the Farmers' Co-operative congress at its annual convention in Great Falls, February 10-12. His subject will be: "The State University and the State."

Dr. Sisson will also speak to the Civic section of the Woman's club on "Social Hygiene," Friday, February 4. Tuesday, February 8, he will address the Roosevelt Parent-Teachers' association.

An engagement to address the National Education Association at Atlantic City, has been cancelled by President Sisson. He was to appear there February 27.

Three more men have registered for vocational training, bringing the total of federal vocational students in the University up to 92.

The new men are: William B. Harlan, Bernard Lee and T. William Riley. All three will take forestry.
